**Online with Teacher:** Classes highlighted in yellow are conducted online via Zoom where a teacher will be instructing. **Attendance will be taken.**

**Self-Directed Day:** Tuesdays and Thursdays are designated as self-directed days. This means scholars will be working independently on work assigned by their teachers on Canvas or Google Classroom. Teachers and mentors are also available for support via Zoom but scholars will need to reach out to teachers to set an appointment. There are exceptions for selected scholars who might have to take an additional class during self-directed days.

**Teacher Office Hours:** Office hours are when teachers are available to provide further 1:1 support to scholars via Zoom. Appointments may be requested by scholars or set by teachers.

**Advisory/Intervention:** Fridays are reserved for intervention and provide further support to scholars.

**Applied Skills:** This is an actual online class for selected scholars in grades 9-12 held during 2nd period on Tuesdays/Thursdays. **Attendance will be taken.**
